

Beetroot Chocolate Brownie

Ingredients

- 500g whole raw beetroot
- 100g unsalted butter, plus extra for the tin
- 200g bar plain chocolate
- 1 tsp vanilla extract
- 250g golden caster sugar
- 3 eggs
- 100g plain flour
- 25g cocoa powder

Method

- Wear a pair of rubber gloves to stop your hands from staining, then top, tail and peel the beetroot – you'll need about 400g flesh. Roughly chop and steam roughly 10 minutes. Until thoroughly cooked.
- Heat oven to 180C/160C fan/gas 4. While the beetroot cooks, butter then line a 20 x 30cm traybake or small roasting tin. Roughly chop the chocolate and cut the butter into cubes. Tip the cooked beetroot into a sieve, drain off any excess liquid, then put into a food processor or blender with the chocolate, butter and vanilla. Whizz until the mix is as smooth as you can get it. The chocolate and butter will melt as you do this.
- Put the sugar and eggs into a large bowl, then beat using an electric hand whisk until thick, pale and foamy, about 2 mins. Spoon the beetroot mix into the bowl, then use a large metal spoon to fold it into the whisked eggs. Try to conserve as much air in the mixture as you can. Sift in the flour and cocoa powder, then gently fold these in to make a smooth batter.
- Pour into the prepared tin and bake for 25 mins or until risen all over, with just the merest quiver under the centre of the crust when you shake the pan. Cool completely in the tin, then cut into squares.
